How To Play

Move your marble to the Goal Line on five raceways (Pictures Books 1 through 5). On each raceway, you must try to move your marble through a 2-D maze toward the Goal Line. At first, you'll have to search for the Goal Lines. Once you know where they are, you'll be able to get faster.

Shortcuts

Be on the lookout for quicker ways to the Goal Line. For example, if you press the U key, you will directly be teleported to the Pictures Book 2.
